

Item #: **C-26**

Check: 1 of 1

This check is designed to configure a Magtek Mini MICR USB Keyboard Emulation check reader to interface with the Desktop Terminal.

Insert this check, beginning on the left side of the reader, with the check face towards the inside of the reader. After successful configuration, the green LED will blink 8 times.

If at any point the LED turns red, repeat this process until successful configuration is achieved.

THIS IS NOT A TEST CHECK

Please cut as close to the line as possible to ensure readability
